## PRESTAGE CONSTRUCTS A PORK PROCESSING PLANT IN IOWA

Construction began on Prestage Foods of Iowa – a 700,000 square-foot pork processing plant in Eagle Grove, Iowa. The modern and efficient plant opened in March of 2019 and represented the single largest investment in the future of the company's swine business.

## PRESTAGE BEGINS CONSTRUCTION OF A PORK PROCESSING PLANT

Prestage Farms of South Carolina processing plant in Camden, South Carolina. The new-of-the-art greenfield plant is to be opened in 2021.
